Dolium®

MADE IN BELGIUM

HANDLE WITH CARE

HANDLE WITH CARE

If you are not familiar with Dolium® one-way kegs or tapping equipment, consult your retailer or local distributor for the 'Handling & safety instructions' also found at QR code above.

This keg will rupture and may cause injury if overpressurized with compressed air, N, or CO2. Tapping system and pressure regulator should be equipped with a pressure relief (blow-off) device.

CO2 HAZARD!
Read CO2 handling instructions available at your CO2 supplier. Danger of suffocation.
